GENERAL WARRANTIES OF THE NORTHERN NEVADA INTERGROUP ASSOCIATION OF ALCOHOLICS ANONYMOUS

In all its proceedings, the Intergroup Association observes the spirit of AA Traditions, taking great care that the Intergroup Association never becomes the seat of perilous wealth or power; that sufficient operating funds, plus a reserve be its prudent financial principal; that none of the Intergroup Association members shall ever be placed in a position of unqualified authority over any of the others; that all important decision be reached by discussion, vote and whenever possible, substantial unanimity; that no Intergroup Association action ever be personally punitive or an incitement to public controversy; that though the Intergroup Association may act for the service of AA Groups in the Northern Nevada area and parts of Northern California, it shall never perform any acts of government; and that, like the Society of Alcoholics Anonymous, the Intergroup Association itself will always remain democratic in thought and action.

(The above is adapted and modified from "The AA Service Manual", and AA Co-Founder Bill W's. Twelve Concepts for World Service; Concept XII, as adopted by the General Service Conference on April 26, 1962. This adaptation of copyrighted AA material has been approved by the General Service Board)

NORTHERN NEVADA INTERGROUP

“Humbly asked Him to remove our shortcomings.”

[Step Seven](#) of AA's Alcoholics Anonymous Twelve Step program of recovery is about getting rid of character defects and replacing them by practicing humility & spiritual principles. Working on the seventh step requires constant thoughtfulness and commitment to being honest, courageous and humble.

When working on steps [four](#) and [five](#) we discovered our assets and our shortcomings. With [Step 6](#) we became prepared to deal with these qualities so that in Step 7 we could be *ready to act*.

**My Creator, I am now willing that You should have all of me, good and bad.
I pray that You now remove from me every single defect of character which stands in the way of my usefulness to You and my fellows.
Grant me strength, as I go out from here, to do Your bidding.
Amen**

AA's

Recovery Step Seven:

"Were entirely ready to have God remove all these defects of character."

Three

Unity Tradition Seven:

"Every AA group ought to be fully self-supporting, declining outside contributions."

Legacies

Service Concept Seven:

"The Conference recognizes that the Charter and the Bylaws of the General Service Board are legal instruments: that the Trustees are thereby fully empowered to manage and conduct all of the world service affairs of Alcoholics Anonymous. It is further understood that the Conference Charter itself is not a legal document: that it relies instead upon the force of tradition and the power of the A.A. purse for its final effectiveness."

Concept VII - The Relationship between the General Service Conference and the General Service Board is Important and Workable.

The General Service Conference, consisting primarily of its democratically elected Delegates, has principle responsibility for finance and for working out matters of general policy. There is also the General Service Board whose members are referred to as Trustees. The Trustees have primary responsibility for practical operations of our Fellowship and its world services as provided by the General Service Office located in New York City. Essentially, we have the Conference to maintain the democratic foundation of the Fellowship and its services and the Trustees to keep A.A. on solid ground legally as well as sound in its day-to-day business operations. The Conference meets once a year to consider its decisions, basing those decisions on input from all participating A.A. groups and members. The Trustees meet much more frequently to take care of on-going business matters.

The General Service Conference itself has overlapping membership that includes both the elected Delegates and the Trustees of the General Service Board. The power of the Conference comes from three sources: the written Charter of the Conference, the fact that the elected Delegates are a large majority of the Conference, and what Bill describes as the "power of the purse". By this he means that the Conference and its Delegate majority as well as the A.A. groups and members themselves may always withhold financial resources if they disagree with decisions of the Trustees. The authority of the Board resides in the law and in the practical business practices and experiences of the persons selected as Board Trustees.

Bill points out in his discussion of Concept VII that having two sources of operational authority sets up a potential for conflict. As he says it, "This concept may appear to be contradictory; it may look like the collision of an irresistible force with an immovable object." Based on this, he goes on to describe his view of how he sees these two bodies working together to carry out each of their separate but overlapping service functions. The detail of this is quite important, but writing space here does not allow for discussion of the detail.

Bill continues to point out that A.A.'s experience over the years has shown that the balance of power between the Conference and the Trustees is, in his words, "thoroughly workable". The balance can be expected to be maintained indefinitely because the one is protected by tradition and the other by law. My personal experience in service shows that it is also protected by a certain "wisdom" among both the Delegates and Trustees, a wisdom that guides each to avoid overuse of its authority. There is clearly an implicit agreement among members of these potentially conflicting bodies about the important larger purposes they share, with both working for what is best for A.A. as a whole rather than to protect their own viewpoints and self-interests. Each operates in agreement to allow the other to have the power to carry out its responsibilities as servants to the A.A. Fellowship, to protect our Traditions, to facilitate our members in carrying the message of recovery from alcoholism, and to assure that the hand of A.A. will always be there for anyone who needs it.

This is a 12 part series written by members of the 12 Concepts Study Group in Reno, Nevada. Efforts were made to use simple, everyday language. Each concept is written by an individual member of the group and is not necessarily the opinion of AA as a whole or NNIG. We hope this series will help our community to understand the Concepts and bring interest to those wanting to know more about them. Revised May, 2017.

The Bracer is a monthly publication intended for members of Alcoholics Anonymous and their families only. It is about, by and for members of the fellowship. Opinions expressed herein are not necessarily those of A.A. as a whole or NNIG. For article submissions or comments, email the Editor at nnigbracer@gmail.com. Deadline for submission is the last Friday of the month.

NNIG, NAGSC — WHAT IS THIS ALPHABET SOUP?

By Pat S. (NNIG-NAGSC Liaison)

When I became Liaison for NNIG and NAGSC one question seemed to pop up on a regular basis: What's the difference between the two entities and why do we need both? I was not sure of the answer, so with some help¹ I have researched the topic and will share with you what I've learned.

While the manner in which General Service and Intergroups may vary from area to area, they compliment each other. Both share a common purpose: to help the alcoholic who still suffers. In this article I describe the many and varied activities of Northern Nevada Intergroup (NNIG) and Northern Area Service Committee (NAGSC). The functions and activities may be slightly different in other parts of the country.

A.A. co-founders Bill W. and Dr. Bob were staunch supporters of Intergroups, and, of course, guided the formation of General Service.

In 1949, Bill wrote, "The Intergroup associations are the best insurance we can have that our life lines to the hundreds of thousands yet to come will never break or tangle. Let us always be generous. Let us warmly support Intergroup."

Dr. Bob was an active participant in the Akron Central Committee. You can read more about that in "Dr. Bob and the Good Old Timers."

The short answer to my question about the two entities is that Intergroup serves groups in the local community while General Service connects those groups to others in the area, region, nation and world.

For example: NNIG has a Central Office and store to provide services and A.A. goods to our members in Northern Nevada. General Service sends our Area 42 Delegate to New York every year to connect with AA as a whole. Because of the pandemic, that event was held online this year. Area 42, by the way, includes all of Nevada and parts of Eastern California along the Sierra Nevada Mountains.

Rather than a duplication of services, various committees compliment each other. Often a committee of NNIG serves the Reno-Sparks Area,

while a committee with the same name at NAGSC (or Area 42 level) serves the more rural areas. Examples of that include Cooperation with the Professional Community (CPC), Public Information (PI), and Corrections committees.

NNIG offers some services that are not available at the General Service level, ranging from a telephone answering service to the Sunshine Committee, which takes meetings to members who are ill or hospitalized.

NNIG meets once a month. Special events include the monthly speaker meeting, a New Year's Eve Gala, Cabbage and Cribbage, Founder's Day picnic (which was cancelled this year because of the Covid 19 pandemic), Halloween Party, and the Gratitude Dinner.

NAGSC meets four times as year. Members participate in various service functions, including the twice-a-year Area 42 Assembly in Tonopah. The Pacific Region Alcoholics Anonymous Service Assembly (PRAASA) is held each year at different locations within the Pacific Region, which includes the following Areas: Alaska, Arizona, Southern California, California Northern Interior, San Diego-Imperial, Mid-Southern, Hawaii, Idaho, Nevada (Area 42), Oregon, Utah and Washington. Forums are held each year at a different location of the Pacific Region, including Alaska and Hawaii. This event is when the General Service Office (GSO) literally takes its entire office and staff to AA members, who otherwise might never be able to visit the New York Office.

Our International Convention is held in the United States or Canada every five years. This year for the first time in its history this event, which first convened in 1950, also fell victim to the COVID-19 pandemic and was cancelled. It would have been in Detroit. But stay tuned: plans are in the works to offer us an online version!

A final thought — There are plenty of service opportunities in both NNIG and NAGSC.

¹ Thanks for research help from GSO literature, California Northern Central Area, and AA member and trusted servant Joyce Y. of Reno.
