Chairman-no report

Don-Don has been working with the speaker chair for the NNIG speaker meeting. We have 70-75 people on zoom. Discussion about keeping the zoom until at least the end of the year. All agreed we need to keep zoom up and running. Discussion about putting information on the web in a brightly colored box might help the attendance. We will also do this on the Bracer. Will remind people of the contribution button on the web for 7th Tradition.

Central Office Report-Ronda talked about the seminar she attended via zoom. Ronda attended the break out session on Anonymity. Anonymity is being broken on social media. Ronda is going to write up a story from Bill W. on Anonymity for the Bracer. She learned more about a protected e-mail program. She will be discussing this with the Bracer Team.

Meeting closed at 6:25 with the Responsibility Pledge.
