PURPOSE

These Suggested Operating Procedures provide for the effective operation of the NNIG Association's effort in Northern Nevada. These Suggested Operating Procedures must operate in accordance with our Articles of Incorporation, By-Laws, Twelve Traditions, and Twelve Concepts of Alcoholics Anonymous. These Suggested Operating Procedures reflect the collective Group Conscience of the registered groups.

“An A.A. Group ought never endorse, finance, or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property and prestige divert us from our primary purpose.” (Tradition 6)

All Officers, Committees and those employed in the Intergroup Office will scrupulously observe this A.A. Tradition and ensure that neither the endorsement, expressed or implied, nor the name, goodwill, property or finances of A.A. in the NNIG will not under any circumstance ever be loaned or given to any public matter.

THE TWELVE TRADITIONS OF ALCOHOLICS ANONYMOUS

1. Our common welfare should come first; personal recovery depends upon A.A. unity.
2. For our group purpose there is but one ultimate authority—a loving God as he may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3. The only requirement for A.A. membership is a desire to stop drinking.
4. Each group should be autonomous except in matters affecting other groups or A.A. as a whole.
5. Each group has but one primary purpose—to carry its message to the alcoholic who still suffers.
6. An A.A. group ought never endorse, finance or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property and prestige divert us from our primary purpose.
7. Every A.A. group ought to be fully self-supporting, declining outside contributions.
8. Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
9. A.A. as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.
10. Alcoholics Anonymous has no opinion on outside issues; hence the A.A. name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
12. Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.

THE TWELVE CONCEPTS OF ALCOHOLICS ANONYMOUS

1. Final responsibility and ultimate authority for A.A. world service should always reside in the collective conscience of our whole Fellowship.
2. The General Service Conference of A.A. has become, for nearly every practical purpose, the active voice and the effective conscience of our whole Society in its world affairs.
3. To ensure effective leadership, we should endow each element of A.A.—the Conference, the General Service Board and its service corporations, staffs, committees, and executives—with a traditional “Right of Decision.”
4. At all responsible levels, we ought to maintain a traditional “Right of Participation,” allowing a voting representation in reasonable proportion to the responsibility that each must discharge.
5. Throughout our structure, a traditional “Right of Appeal” ought to prevail, so that minority opinion will be heard and personal grievances receive careful consideration.
6. The Conference recognizes that the chief initiative and active responsibility in most world service matters should be exercised by trustee members of the Conference acting as the General Service Board.
7. The Charter and By-Laws of the General Service Board are legal instruments, empowering the trustees to manage and conduct world service affairs. The Conference Charter is not a legal document; it relies upon tradition and the A.A. purse for final effectiveness.
8. The trustees are the principal planners and administrators of overall policy and finance. They have custodial oversight of the separately incorporated and constantly active services, exercising this through their ability to elect all the directors of these entities.
9. Good service leadership at all levels is indispensable for our future functioning and safety. Primary world service leadership, once exercised by the founders, must necessarily be assumed by the trustees.
10. Every service responsibility should be matched by an equal service authority, with the scope of such authority well defined.
11. The trustees should always have the best possible committees, corporate service directors, executives, staffs, and consultants. Composition, qualifications, induction procedures, and rights and duties will always be matters of serious concern.
12. The Conference shall observe the spirit of A.A. tradition, taking care that it never becomes the seat of perilous wealth or power; that sufficient operating funds and reserve be its prudent financial principle; that it place none of its members in a position of unqualified authority over others; that it reach all important decisions by discussion, vote, and whenever possible, by substantial unanimity; that its actions never be personally punitive nor an incitement to public controversy; that it never perform acts of government, and that, like the Society it serves, it will always remain democratic in thought and action.

SECTION I: PREAMBLE:

1.1 GENERAL WARRANTIES OF THE NORTHERN NEVADA INTERGROUP ASSOCIATION OF ALCOHOLICS ANONYMOUS

In all its proceedings, the Intergroup Association observes the spirit of A.A. Traditions, taking great care that the Intergroup Association never becomes the seat of perilous wealth or power; that sufficient operating funds, plus a reserve be its prudent financial principal; that none of the Intergroup Association members shall ever be placed in a position of unqualified authority over any of the others; that all important decisions be reached by discussion, vote, and whenever possible, substantial unanimity; that no Intergroup Association action ever be personally punitive or an incitement to public controversy; that though the Intergroup Association may act for the service of A.A. Groups in the Northern Nevada area and parts of Northern California, it shall never perform any acts of government; and that, like the Society of Alcoholics Anonymous, the Intergroup Association itself will always remain democratic in thought and action.
